Work Experience

Front End Developer @ Diligent Soft IT

Bangladesh, Full Time, October 2023 - present

Diligent Soft IT is a software and web development based company. It deals with web development services, especially ERP, POS, accounting, billing, and inventory software. Our main goal provides customer satisfaction and the best quality services

Projects

eShikhon (present)

Live Site: <https://eshikhon.com>

eShikhon.com is a trusted organization established with the goal of creating success in IT. Since its inception, eShikhon.com has been contributing to the construction of Digital Bangladesh for 9 long years and achieving multi-faceted success through groundbreaking changes.

Key Features:

- Created REST API using Node.js and PostgreSQL to facilitate seamless communication between the front-end and back-end systems.
- Crafted a user-friendly and visually appealing website with a responsive design, ensuring a consistent experience across various devices.
- Implemented robust security measures, including secure authentication and authorization mechanisms using JSON Web Tokens (JWT), ensuring data integrity.
